

Quality Education

Azerbaijan Tourism and Management University is deeply involved in educational outreach endeavors, involving customized lectures, workshops, and related activities held both within the university and beyond. These engagements encompass neighboring schools, the broader community, and independent student-led projects. Key student organizations, such as Student Youth Organizations, Student Scientific Societies and similar groups, actively contribute to this outreach. Their shared objective is to promote societal progress and knowledge by organizing a range of events and seminars on important and enlightening subjects.

On May 25 and 26, 2023, the representative office of DNV AS of the Kingdom of Norway in the Republic of Azerbaijan conducted a certification audit on the standards of ISO 21001:2018 - Education management at the Faculty of Tourism and Hospitality of Azerbaijan University of Tourism and Management. Azerbaijan University of Tourism and Management, which successfully completed the audit, received a certificate for the ISO 21001:2018-Education management standard in the field of "Preparation of planning in the fields of tourism and hospitality and social management". Simultaneously, ISO 9001:2015 - Quality Management System standards has been renewed by DNV AS in January 2023.
